Opportunities

Actions identified to increase unique lead volume and improve customer experience:

> **Optimize Placement:** Move the E-Shop buttons to the **top of the CTA stack** on your SRP/VDP for maximum visibility and conversion.

Current E-Shop Button Stack:

Next-Level Optimization: New Features

Deep Linking

Sends shoppers straight to a specific vehicle’s payment options (Trade-In, Credit Check, Test Drive, Payment Calculations) for faster conversion.

Banners

Banners capture high-intent shoppers immediately upon landing on your site, driving urgency and engagement for current programs. Our marketing team updates banners throughout the year to keep incentives and campaigns fresh.
